NON-DISCLOSURE AGREEMENT (NDA)

This Non-Disclosure Agreement ("Agreement") is entered into by and between:

Disclosing Party: Lars G Stahl, founder of AI Justice For All
Email: lars@peynet.se

Receiving Party: Any individual or entity requesting access to restricted materials from AI Justice For All

Effective Date: Upon download, receipt, or interaction with protected content.

1. Purpose

This Agreement governs the conditions under which confidential materials and intellectual property related to the AI Justice For All project, including but not limited to technical documentation, logic architectures, AI models, use-case designs, and simulation results, may be shared for evaluation or collaboration purposes.

2. Confidential Information

"Confidential Information" refers to all non-public data disclosed by Lars G Stahl or AI Justice For All, including written, verbal, digital, or visual materials marked or understood to be confidential. This includes: - Internal roadmap documents - Ethical logic frameworks - JusticeLite or simulator code - Legal mapping methods - Partner or funding strategies - Any material not publicly linked or licensed

3. Obligations of Receiving Party

The Receiving Party agrees to: - Maintain confidentiality of all disclosed materials - Use Confidential Information only for the purpose of evaluation or proposed collaboration - Not reproduce, distribute, disclose, or share materials without written consent - Notify Lars G Stahl promptly of any suspected breach

4. Exclusions

This Agreement does not apply to information: - Already known to the Receiving Party prior to disclosure - Publicly available through no fault of the Receiving Party - Lawfully disclosed by another source not bound by confidentiality

5. Term & Termination

This Agreement remains in effect for three (3) years from the Effective Date or until otherwise terminated in writing. Obligations regarding Confidential Information survive termination.

6. No License or Obligation

Nothing in this Agreement grants the Receiving Party rights to license, develop, commercialize, or exploit the Confidential Information. Participation does not constitute a business relationship or employment.

7. Governing Law

This Agreement shall be governed by the laws of **Sweden**, the **United States**, and applicable **international intellectual property and trade laws**, to the extent enforceable. Any legal dispute may be resolved in either Swedish or U.S. jurisdiction, depending on the origin or nationality of the Receiving Party.

8. Acceptance

By downloading, requesting, or interacting with confidential AI Justice For All materials, the Receiving Party acknowledges acceptance of this NDA and agrees to its terms.
